DUNCAN CLARK  
PROJECT MANAGEMENT

# COMPANY OVERVIEW

Duncan Clark is a Professional Project Management Consultancy formed by the combined experience and expertise of the Partners who have successfully managed and completed many large scale and complex projects throughout Southern Africa.

Duncan Clark is led and managed by the team of partners, Mike Duncan and Trevor Clark.

Our reputation and repeat business is built on long standing and trusted relationships with our clients, spanning some 40 years. We believe our strengths lie in our values, and personal engagement.

We strive to demonstrate an innovative way of doing business; one which inspires our clients.
